The black crow

**Choose the Sentence**

Read the character trait. Read the sentences. Circle the correct sentence describing the trait.

A. A spider created a work of art.  
B. A spider has eight legs.  
C. A spider caught a fly.

**Story Comprehension**

We have a large tree in our backyard. It is a beautiful tree. This tree has lots of leaves. Every year our family must rake all the leaves that fall off it. We rake them into a pile. Then we jump into it!

1. What must the family do each year?

2. What trait describes the family and how do you know?

**NO PREP → PRINT & GO**
